**Please include the following information with each order:**

1. Purchase order number
2. Quotation number (for Bulk quantity only)
3. Catalog number and product name/description of the product
4. Quantity of product
5. Billing and shipping address

### Delivery and Payment Terms

SynChem, Inc. uses express delivery. All orders will be shipped *via* Federal Express when permitted. All freight, insurance, and special packaging charges will be added to the invoice unless other terms have been arranged. Written quotations are guaranteed for 30 days. Terms of sales are net 30 days of date of invoice.

## **Prices**

All prices are stated in US Dollars and quoted in the catalog are F.O.B. Elk Grove Village, Illinois, USA. Prices are subject to change without notice. For large quantity orders please contact us for a quotation.

## **Use of Products**

SynChem's products are intended for laboratory research purposes, unless otherwise stated on product labels.

## **Products Quality**

All chemicals listed in this catalog exceed 95% chemical purity and 98% optical purity when they are chiral compounds.

## **Hazardous Chemicals**

Many chemicals are hazardous. All of products should be handled only by qualified individuals trained in laboratory procedures and familiar with the potential hazards of the chemicals.

## **Returns**

Return shipment will not be accepted without permission.

## **Patents**

SynChem's products may be covered by application or process patents. The customer must be responsible for determining the existence of such patents.

## **Custom Synthesis**

Please contact us directly for quotation for custom synthesis and information about our FTE service at [sales@synchem.com](mailto:sales@synchem.com) or 847-298-2436 x 230.
